Young Anna

Do you want to build a snowman?  
C'mon, let's go and play

Young Elsa

I can cover this whole place in snow  
I'm not supposed to, though

Young Anna

Yeah, just do it anyway  
Do it for your sister!  
Elsa please, oh please  
I can't do the things you do

Young Elsa

You really want to build a snowman?

Young Anna

You know I do.

Young Elsa

We'll stay up late and build that snowman!

Elsa and Anna: Me and you

Once there was a family

Beloved by all

A king, a queen, two princesses

And the story starts when they  
were small

Ladies, What have you been up to?

Nothing!

Elsa was a special child

From her first frozen tear

Her magic filled her parents' hearts

With so much love and fear

Watch this!

Elsa no! Magic must stay secret

Why?

Let the sun shine on, let our hearts be light like the  
perfect happy shiny summer day

Let the sun shine on cause its all alright together we  
can keep the storm at bay.

1, 2, 3 together, clap together, snap together

You and me together, knees together,  
freeze together

Up or down together, princess crown together

Always be together, you and me

And so the royal family  
Is ever on display  
And people loved the princesses  
And watch them as they play

Freeze my butt

Oh Anna

Let the sun shine on

Let our lives be free

Let the promises of our land be sure and strong

Let our hearts be warmed

By this family

All the winter long

Let the sun shine on  
Over Arendelle

Let the crown be strong and let your love be true

Bless our daughters fair

Who we love so well

We will look to you

Na na na hei a na - na hi ja na
