

Ashford Hill Primary School Newsletter

January 10th 2025

Dear Parents/Carers,

What a very busy week it has been – with even a glimpse of snow! The week started off with some fantastic learning happening in all of the classrooms. It has been wonderful to hear about how much the children enjoyed the Christmas Break with all of their families.

We are into our new topics of learning and we are proud of our developing curriculum. For further information on our curriculum this term and what the children will be learning, please follow the link below. This will show you the title of the children's learning adventures for this term. Class Teachers will be sending home knowledge organisers with the children next week so that you can take the opportunity to discuss your children's learning with them at home during the term ahead.

[Ashford Hill Primary School - Curriculum](#) - please scroll to the bottom of the page and this will show you everything that you need to know about your child's year group. The tabs on the side of the page will take you to subject specific coverage.

Next week we have Bikeability for Year 6, so please remember your bikes!

I hope you have a wonderful weekend and look forward to seeing you all on Monday.
