

# Ashford Hill Primary School

Newsletter  
20 March 2026

Dear Families

As we head towards our final week of term, it's been inspiring to see our pupils demonstrating our school values through so many rich experiences. At the Clubs Fayre, children showed real determination as they confidently approached new providers, asked thoughtful questions, and considered activities they might not have tried before. They also celebrated the strength of our community by connecting with the wide variety of clubs and organisations in our local area. Our Year 5 and 6 girls represented the school with integrity, at the touch rugby festival playing with fairness and pride throughout the morning. Year 5 and 6 embodied our sense of community during their visit to the Oxford University Museum of Natural History, supporting one another as they discovered and learned together. We've also welcomed more potential families into school, and celebrated Red Nose Day with generosity and kindness.

Looking ahead, next week promises to be just as full of opportunity. Pupils will take part in a gymnastics festival, we'll be hosting our parents' evenings, and families are invited to join us for our curriculum showcase. The PTA Easter Egg Hunt is set to bring plenty of fun, and we are also preparing for the launch of our new wraparound care provision.

It's shaping up to be a fantastic end to the term, and we are grateful for the continued support of our whole school community.

Have a wonderful weekend.

Best wishes

Catherine Hudson

Principal

## Attendance

Our school attendance target is **97% and above for all children.**

**This week's attendance:**

Whole School	YR	Y1	Y2	Y3	Y4	Y5	Y6
97	92.7	93.3	97.1	95	91.7	100	95.3

Well done Y5 for 100% attendance this week

## Club Fayre

Our Clubs Fayre took place on Monday 16 March, bringing together a range of local clubs who came to showcase what they offer. Families had the chance to explore new activities, speak directly with club representatives, and discover opportunities

available within the community. It was a vibrant and engaging event that highlighted the wide variety of extracurricular options around us.

I would like to thank Mr Walker for organising this successful event.

Integrity

Determination

Community

## Red Nose Day

What an incredible Red Nose Day. Our space was transformed into a sea of red, from bright T-shirts and painted on noses to creative costumes that brought smiles all around.

Thanks to everyone's enthusiasm, generosity, and sense of fun, we raised an amazing **£96**. Every pound helps support life-changing projects, and we're so proud of what we achieved together.

A huge thank you to everyone who took part, donated, dressed up, and spread joy.

## Y5 & 6 Visit to Oxford University Museum of Natural History

The Y5 & 6 visit to the Oxford University Museum of Natural History was a spectacular success. We spent our morning in a fascinating workshop with the brilliant Chris Jarvis. He was incredibly knowledgeable and made the complex topics of evolution, variation, and natural selection truly come to life.

After our session, we explored the stunning neo-Gothic building in

teams. Our mission was to discover five intriguing facts about evolution and inheritance, which led us to examine everything from ancient fossils to modern-day mammals. The staff and other visitors were very impressed by our behaviour; everyone was remarkably well-mannered, showing great respect for the exhibits.

We worked beautifully in our groups, proving ourselves to be excellent ambassadors for the school. We all had such a wonderful time that many of us are already planning to take our families back for a second visit. It was a day of discovery we won't forget.

## Y5 & 6 Touch Rugby Festival

Our Year 5 and Year 6 rugby teams took part in a touch rugby festival at Newbury Rugby Club on Thursday 12 March and Thursday 19 March. Despite having only two short training sessions beforehand, the pupils worked hard to apply their coaching and demonstrated excellent teamwork. They supported one another, took the lead when needed, and ensured everyone was in the right place throughout each match.

Both teams thoroughly enjoyed the experience, and it was a fantastic effort from all involved. Well done.

## Junior Adventure Group - Wraparound Care

As you will have seen in our communication earlier today, we are excited to announce that our new wraparound care, provided by Junior Adventures Group (JAG), is launching on Monday 13 April. More information can be found by clicking on the links below.

[Ashford Hill Primary School](#)

[Register & Book Now!](#)

## Thank You to Mason and the GOL Elite team

We would like to extend our heartfelt thanks to Mason and GOL Elite for their outstanding commitment to our Breakfast Club. For over 10 years, they have provided a warm, welcoming, and reliable start to the day for so many of our children. Their consistency, care, and dedication have been truly valued by our school community.

With JAG set to begin offering wraparound provision after Easter, Mason and GOL Elite will no longer be continuing their Breakfast Club service. While this marks the end of a long-standing chapter, we are incredibly grateful for all they have contributed over the years.

We are pleased to share that they will continue to run the popular Football Club, which remains a much-loved part of our extra-curricular offer.

Bookings can be made here <https://www.goleliteprocoaching.co.uk/ashford-hill-primary-school/>

## Pupil Success

Sebby won Player of the Week award at his rugby club. He plays for Newbury Under 7s. As you can see, he was absolutely thrilled to win.

If your child has had a success outside of school, we would love to celebrate it. Please send a photo and a short description to [admin@ashfordhill.hants.sch.uk](mailto:admin@ashfordhill.hants.sch.uk) and we will share it here.

## Use of outdoor space - polite request

We kindly request that all families vacate the site by 15:30 each day, unless children are attending a club. This is to help ensure the safety and safeguarding of all pupils and staff on our premises.

## PTA Easter Egg Hunt

This year the PTA are organising our Easter Egg Hunt for the children of the school and their siblings (all ages welcome) on Friday 27th March on the school field.

The hunt involves finding different coloured pegs around the playing fields and exchanging for an Easter Egg at the end. Every child who participates will take home a chocolate egg, plus will be in with a chance to win an extra prize if they can find the silver or gold peg!

The cost to take part is £5 per child.

We want all children to be able to participate in our Easter egg hunt. If the cost of tickets is a barrier for your family at this time, please contact the school office in confidence to discuss how we can support you.

## Annie Jr – request for help

As we begin preparations for our upcoming production of *Annie Jr*, we would be grateful for any additional help from our school community. If you're able to support in any way, please let us know. Your involvement will make a huge difference.

## Spring into Action 2026 – Time to Walk, Talk, Listen

We are pleased to be sharing My Journey's [Spring into Action Toolkit](#).

This year's theme is Time to Walk, Talk, Listen, and included in the Toolkit are fun activities and questions to help spark conversation while you walk or wheel, either to and from school or during your leisure time.

Walking and wheeling side by side often helps conversations happen more naturally, making it easier for children and young people to share their feelings and worries. Just as important is the opportunity this gives us to listen to one another too.

The Toolkit highlights other benefits active travel can bring, whether you choose to walk or wheel your entire journey or simply park a little further away and walk or wheel the final five to ten minutes. You will also find guidance on adapting the Toolkit to suit your family's needs.

## SEND Local Offer

### What if you could explore your SEND Local Offer in person, on one day?

Join us at an event near you to find out about your local special educational needs and disabilities (SEND) support.

Our Discovery Days offer a welcoming space for families to explore the wide range of local services and support available. They provide the chance to speak directly with the teams who work with children and young people with Special Educational Needs and Disabilities, helping families access timely information, early support, and meaningful connections within their community.

**Families can expect**

- Opportunities to meet professionals from key SEND services
- Information stands from charities, providers, and community organisations
- General support and advice for children and young people aged 0 to 25
- Signposting to early help, assessment pathways, and inclusive activities
- A welcoming, relaxed environment where families can explore at their own pace

To find more details on these events, or for further information on the Hampshire Local Offer, visit [connecttosupporthampshire.org.uk/localoffer](https://connecttosupporthampshire.org.uk/localoffer) or scan the QR code.

[connecttosupporthampshire.org.uk/localoffer](https://connecttosupporthampshire.org.uk/localoffer)

## Children's Services Parenting Courses

Sometimes families may benefit from parenting support or a group course when they would like support to strengthen relationships, build confidence, or develop new strategies to respond to everyday challenges. This can include situations where:

- Parents/carers are seeking guidance on boundaries, routines, emotional regulation or behaviour.
- Family dynamics are becoming strained, for example, due to conflict, stress or changes in circumstance.
- A parent/carer wants to better understand their child's needs, including any additional or emerging needs.
- There are concerns about a child's school attendance, engagement, behaviour, or emotional wellbeing.
- Parents feel isolated or unsure what might help, and would welcome a structured, supportive environment.
- A family is already receiving Early Help, and a parenting programme can form part of their support plan.
- Parents want to build their skills, confidence, and resilience in a positive, non-judgemental setting.

Parenting courses are designed to be supportive, practical, and empowering, helping families build on their strengths and feel more confident in their parenting.

Hampshire Children's Services offer a range of structured, evidence-based parenting programmes. Any professional or family can request a place on a course or intervention. To make a referral, please see the [Early Help Intervention Pathway Guidance](#), which includes a list of district referral forms. Details of each course can be found at [Children's Services Parenting Courses](#).

1. **Stepping Out Stronger (SOS)** – up to three sessions addressing a specific parenting challenge.

2. **Family Links Nurture Programme (FLNP)** – 10 week course for parents of children aged 2–11.
3. **Tots Talking** – eight week programme supporting language development for two year olds.
4. **Talking Teens** – four week course supporting parents of teenagers aged 12-19.
5. **Non-Violent Resistance (NVR)** – eight week programme for parents managing controlling or violent behaviour.
6. **Positive and Adverse Childhood Experiences (PAACE)** – eight week course (Child PAACE) and 10 week course (Adult PAACE) helping parents understand the impact of PAACE on them and their children.

## Reporting Absence

If your child is absent, please contact the school by either calling the office and leaving a message or emailing our dedicated attendance mailbox: [attendance@ashfordhill.hants.sch.uk](mailto:attendance@ashfordhill.hants.sch.uk)

When reporting an absence, please remember to include the **reason** your child is away from school. If you report that your child is unwell, a member of staff will follow up to gather a little more information, in line with our attendance procedures.

## Safeguarding

Safeguarding is our number one priority. Together we want to ensure that all children are safe, happy, and secure at all times. If you have any concerns about another child or your own, please do not hesitate to contact one of our Safeguarding Leads.

**Miss. C. Hudson**

**You Are Not Alone**

**You Are Not Alone Drop-in**

Every 1<sup>st</sup> Tuesday of the month - 7:00pm - 8:30pm

A free monthly online drop-in for parents & carers

The **You Are Not Alone** community is a friendly and safe space run by Erik & Sally Winger where you can come and learn about autism & PDA, ask questions, connect with like-minded people or simply listen and learn from other people's conversations.

In this community we talk about all sorts of things such as:

- Helping your child regulate their emotions & feelings (meltdowns etc)
- Understanding autism and PDA
- Understanding school and EHC/ty
- Supporting your child with friendships, understanding and managing challenging behaviour
- Managing sensory needs
- Developing a positive relationship with your child (family dynamics)
- Exploring EOTAS or home education
- Helping other with parenting
- and so much more

Here's what parents have said:

My husband James was saying that in the last few sessions, he had learned so much more about autism and PDA than he has over the last year - Jo (parent)

Thank you so much for this group this evening. I can't tell you how grateful I feel and really do feel less alone and more supported. My hope is best - Louise (parent)

You can request the Zoom link on our website  
<https://youarenotalone.community> or you can send an email to [team@youarenotalone.community](mailto:team@youarenotalone.community)
