

The Characters and Auditions

Annie

This is the lead role and you can be any age to play this part – but you must be confident and able to sing and act very well.

There may be one or more girls cast in this role

ORIGINAL MOTION PICTURE SOUNDTRACK

Annie

Orphans

These are fantastic roles as they are on for a lot of the show.

The orphans can be played by boys and girls. The songs are great and they are so funny. Lots of action in these roles. But you will need to be very confident and strong.

There are also named orphans who will have lines to say as well as singing.

Miss Hannigan

This role can be played by a Boy or a Girl.

Miss Hannigan is very funny, but very mean as she runs the orphanage that Annie runs away from.

A great character role. Lots of very famous people like to play her.

Grace Farrell

A beautiful Part

Grace is Daddy Warbucks' assistant and she sings a lot and dances. She befriends Annie and is very kind to her.

She also helps Annie to bond with Daddy Warbucks

Rooster and Lily

Miss Hannigan's swindling brother and his girlfriend. They disguise themselves to steal Annie as she may be worth a lot of money.

They both sing and have to dance.

Super roles to play

Oliver Warbucks

He is a millionaire who finds himself charmed by Annie.

He has to sing well –but most of all be a fantastic actor.

A big role so may be played by more than one child.

Servants

There are many servants in Mr Warbucks' Mansion and lots of you will play them – but there are a few with lots of lines to say.

These are:

Drake: The Butler

Mrs Greer: The Housemaid

Mrs Pugh: The Cook

Cecille and Annette: Personal Maids

Apple Seller and Bundles

Both have a few lines in the start of the show- so if it is your first time, this is a great part to go for – boy or girl

Officer Ward

This is the Policeman that takes Annie back to the orphanage. Non singing role but has some lines and must be authoritative.

Sandy (the dog)

Non-speaking/singing role but you will need to move really well - because you will be next to Annie the whole time.

A great movement part

In the picture it is a real dog – but in our show you are a human acting like a dog.

Bert Healy and The Boylan Sisters

These are a radio station team – they sing as a radio show. Bert only talks and the girls sing.

It is a short song but lovely role if you only want a little part

President and Louis Howe

The president and his Aide.

You will not need to be a strong singer but you will need a big speaking voice and to look like you are very important – you will be in a scene near the end of the show.

Star To Be

If you love singing and want to stand out in the crowd – this is the role for you.

A great number and only one showstopping verse in a great song.

A small but cracking part

Other roles

There are many other parts with lines that will be distributed once we have auditioned – roles such as:

New Yorkers

Servants

Dog Catcher

Sound Effect Man

Orphans

President's Office
